Scottish Prince 60 of BVF was a class winner at Minnesota and South Dakota State Fairs and Reserve Senior Champion at South Dakota. Scottish Prince 8335, 10th place sire in 1964 Sire of the Year Contest consistently sired the right kind and was probably one of the great breeding sons sired by Scottish Prince, truly a "Cattleman's Champion". This Senior Yearling is a good headed, thick-rumped individual of herd bull calibre. Be sure to give him the second look.

A son of "1690" whose record speaks for itself - having sired the Grand Champion and top selling Female at the 1964 Minnesota State Angus Sale, 1965 Sioux Falls Grand Champion Steer, and the 1964 Junior Livestock Reserve Champion Steer. Craver Ranch, Denton, Texas, recently selected several "1690" daughters to mate to their "world record priced bull", Escort of Manorhill. Brookmere 1032 is out of one of the top cows in our herd, being sired by a great breeding son of Ebony's Lad of Ida, you will note the second dam by General of Clearview, a bull that contributed so much to our cow herd, bred in the Allison Miles Herd at Riceville, Iowa.

1965 SIOUX FALLS GRAND CHAMPION STEER
Sired by Meadowmere 1690.

Terms and Conditions

In addition to the terms and conditions listed earlier in the catalog, the following is also in effect for the Holstein Sale.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herd Book of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser free of charge.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell the same.
2. Unless otherwise announced from the auction stand, each animal is sold as sound.
3. (A) Bulls: Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within 4 months after the bull reaches 14 months of age. The seller shall then have 6 months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
4. (B) Females: Any female pregnant when sold or that has freshened normally within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within 6 months of sale date, or if less than 15 months old when sold by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of 6 months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the sale price of the animal.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

On Thursday, February 3rd, there will be a 'Get-Together' Dinner for all friends and consignors at the Eastway Bowl, 3201 E. 10th Street at 7:00 P.M.
